And they talked about that, all the wise women of the island: what was the true art of magic, and where did it turn false; how the balance of things was kept or lost; what crafts were needful, which useful, which dangerous; why some people had one gift but not another, and whether you could learn an art you had no native gift for. In such discussions they worked out the names that ever since have been given to the masteries: finding, weather-working, changing, healing, summoning, patterning, naming, and the crafts of illusion, and the knowledge of the songs. Those are the arts of the Masters of Roke even now, though the Chanter took the Finder's place when finding came to be considered a merely useful craft unworthy of a mage.. My expression amused her. She had had no one in her life to desire. When the young wizard first came riding by so slim and arrogant, she wished she could want him; but she didn't and couldn't, and so she had thought him spell-protected. Rose had explained to her how wizards' spells worked 'so that it never enters your head nor theirs, see, because it would take from their power, they say'. But Ivory, poor Ivory, had been all too unprotected.
