ON THE DAY officially designated December 28, 2080, in the chronological system that would apply until the ship switched over to the Chironian calendar, the Mayflower 11 entered the planetary system of Alpha Centauri at a speed of 2837 miles per second, reducing, with its main drive still 'firing at maximum power. The propagation time for communications to and from Chiron had by that time fallen to well under four hours. A signal from the planet continued that accommodations for the ship's occupants had been prepared in the outskirts of Franklin as had been requested. "Oh, Jay," Jean groaned. "They were probably taking you for a ride to gets laugh out of it. At your age, you should know better." Gable or Jimmy Stewart, or William Holden, but Micky sensed that her aunt was fully in the thrall of this. Amused, the trucker cocks his head and says, "You yankin' my chain, young fella?" Merrick drew a long breath, and his expression became grave. "Mmm Walters. That brings me to the other thing I have to tell you," he said in a heavy voice. "Officer Walters is no longer with us. He and his family disappeared from Cordova Village two days ago and have not been 'heard of since. He failed to report for duty yesterday. We must assume that he has absconded. He shook his head sadly. "Disappointing, Fallows, most disappointing. I credited him with more character." Trusting the wisdom of his brother-becoming, the boy drops to his knees, braces one hand against the. Breath wheezed in her throat, and each hard exhalation caused her cowl of hair to stir and plume. Silence. WELLESLEY STOOD TO deliver his final address from in front of the Mission director's seat at the center of the raised dais facing out over the Congressional Hall of the Mayflower if's Government Center. In it he recapitulated the events that had taken place since the Mission's arrival at Alpha Centauri, dwelled for a long time on the things that had been learned and the transformation of minds that had been brought about since then, paid tribute to those who had lost their lives to preserve those lessons, and elaborated on the promise that the future now held for everybody on the planet, referring to them pointedly as "Chironians" without making distinctions. "-You got it wrong," Colman told them. "It's not the little ones at all." He widened his eyes in a parody of lewd anticipation and grinned. "Think of all those grandmothers." Terry and Paula laughed. "Been having a nice chat, have you?" Sirocco asked. "Well, yes, actually, I suppose, sir. How did you know?" Sirocco waved at the corridor behind him. "Because it's happening everywhere else, that's how. Carson's talking football, and Maddock is telling some kids about what it was like growing up on the Mayflower II." He sighed but didn't sound too ruffled about it. "If you can't beat 'era, then join 'era, eh, Driscoll... for an hour or so, anyway. And besides, they want to show Colman something in the observatory upstairs. I don't understand what the hell they're talking about." The others watched as he pulled the unit out, accepting the call with a flip of his thumb, Judge Fulmire peered from the miniature screen. "Are you alone, Paul?" Fulmire asked without preamble. His voice was clipped and terse. "Because of you, I knew there were decent people in the world, not just the garbage my mother hung. artistic scalpel work to her left arm.
