The ninth card was a jack of spades. Maria called it a knave of and at the sight of it, her bright smile dimmed..Rudy's blue suit, as usual, pinched and shorted his shambling frame. Here in a boneyard, he appeared to be not just a man with a bad tailor, but a grave robber who looted the dead for his wardrobe..Later, at home, after Agnes sent Edom back to his apartment, she opened a bottle of vodka that she had bought on the way back from Maria's. She mixed it with orange juice in a waterglass.. "And after Phimie was gone ... he still hoped to learn the rapist's name, put him in prison. But then something changed his mind ... oh, maybe two years ago. Suddenly, he wanted to let it go, leave judgment to God. He said if the rapist was as twisted as Phimie claimed, then Angel and I might be in danger if we ever learned a name and went to the police. Don't stir a hornet's nest, let sleeping dogs be, and all that. I don't know what changed his mind..".They were dining by candlelight. Vanilla-scented bougies stood on the sideboard, across the room, glimmering in glass chimneys, but Barty pointed instead to five squat red candles distributed through the centerpiece of pine sprays and white carnations..she'd crossed herself during Edom's rant about the Tri-State Tornado of 1925. Then, she'd been warding off bad fortune; now, with a smile and a look of wonder, she was acknowledging the grace of God, which, according to the cards, had been settled generously on Bartholomew..With his ringleted yellow hair, coiled mustache, and haughty right file, this was a jack that looked as if he might be a knave in the worst sense of the word.. "I believe I'll just wait here until Mr. Cain wakes," Vanadium said. "I've nothing more pressing to do..".As "It is." From a desk drawer, Nolly withdrew an envelope and put it on top of the offered cash. "I'm returning five hundred of your thousand retainer." He pushed everything back toward Junior..Opening the directory to the marker, he found a card tucked between the pages. A joker, with BARTHOLOMEW in red block letters.. "I knew," said Wally, braking for a red traffic light, "that you'd be thinking of Phimie now, and thinking of her would lead you to your father's words, because as short as her life might have been, Phimie was a Bartholomew. She left her mark..".And the irony of ironies: With her talent deepening to a degree that she had never dared hope it would, with collectors responding to her vision to an extent she had never imagined possible, with her goals already exceeded, and with great vistas of possibility opening before her, she would throw it all away with some regret but with no bitterness if required to choose between art and Angel, for the child had proved to be the greater blessing. Phimie was gone, but Phimie's spirit fed and watered her sister's life, bringing forth a great abundance..More walls than not, in both rooms, were lined with bookshelves and file cabinets. Here he kept numerous case studies of accidents, man-made disasters, serial killers, spree killers: proof undeniable that humanity was a fallen species engaged in both the unintentional and calculated destruction of itself..Their apartment was in a four-story Victorian house that dripped gingerbread, in the exclusive Pacific Heights district. It had been converted to apartments with deep respect for the architecture, years before Wally bought it..Even at this post midnight hour, the lounge would sometimes be as crowded with worried loved ones as at any other time of the day. This morning, however, the only life under the threat of the scythe appeared to be Wally's; the sole vigil being kept was for him..Aware of the dangers of dehydration, he drank a bottle of water and put two half-gallon containers of Gatorade in the Suburban..Now, here, all three on the street and vulnerable at once-the man, Celestina, the bastard boy..Junior examined the music collection. The policeman's taste ran to big band music and vocalists from the swing era..Although faint and somewhat hollow, the woman's crooning was pure and so on-note that this a cappella rendition fell as pleasantly on the ear as any voice sweetened by an orchestra. Yet the song had a disturbing quality, as well, an eerie note of yearning, longing, a piercing sadness. For want of a better word, her voice was haunting..Assuming that the boy had closed his eyes and was talking to himself, somewhere between his self-told bedtime story and a dream, Agnes retreated from the room, pulling the door only half shut behind her..This wasn't art. This was pandering, mere illustration, more suitable for painting on velvet than on canvas..When at last he spoke, real grief, quiet but profound, softened his voice: "March first, three years ago, my wife and two sons-Danny and Harry, both seven, twins-were coming home from visiting her parents in New York. Shortly after takeoff ... their plane went down..".he wasn't wholly without feeling, of course. A poignant current of sadness eddied in his heart, a sadness at the thought of the love and the happiness that he and the nurse might have known together. But it was her choice, after all, to play the tease and to deal with him so cruelly.
