"I could fly there as a tern and be back on the ship before daylight," he said to himself, but idly. He was bound for O Port. Ruined lands were all too common. No need to fly to seek them. He made himself comfortable in his coil of cable and watched the stars. Looking west, he saw the four bright stars of the Forge, low over the sea. They were a little blurred, and as he watched them they blinked out, one by one. "Frosty. White," she said, looking away, embarrassed.. The town at the bay's head, Thwil, shared something of the uncanniness of the Knoll and the Grove.. He stood tongue-tied. After a while she looked up at him. Haven't I found it..She'd have thought being King in Havnor wasn't good enough for him..Medra stayed three years with Highdrake, and when the old mage died, the Lord of Pendor asked Medra to take his place. Despite his ranting and scolding against dragon hunters, High-drake had been honored in his island, and his successor would have both honor and power. Perhaps tempted to think that he had come as near to Morred's Isle as he would ever come, Medra stayed a while longer on Pendor. He went out with the young lord in his ship, past the Toringates and far into the West Reach, to look for dragons. There was a great longing in his heart to see a dragon. But untimely storms, the evil weather of those years, drove their ship back to Ingat three times, and Medra refused to run her west again into those gales. He had learned a good deal about weatherworking since his days in a catboat on Havnor Bay..Gift hurried to the village. She went straight up to the doorstep, bent over the heap, and laid her hand on it. Everybody gasped and muttered, "Avert! Avert!" except Tawny's youngest daughter, who mistook the signs and piped up, "Speed the work!". She stopped and stared at him..which yielded elastically. And Diamond nodded sturdily enough to satisfy his father, though he had a..Some people of great innate and trained power are able to find out the true name of another, or even to have it come to them unsought. Since such knowledge can be betrayed or misused, it is immensely dangerous. Ordinary people-and dragons-keep their true name secret; wizards hide and defend theirs with spells. Morred could not even begin to fight his Enemy until he saw his Enemy's name written in the dust by the falling rain. Ged could force the dragon Yevaud to obey him, having by both wizardry and scholarship discovered Yevaud's true name under centuries of false ones.."Why not? "Master San, it's..but eventful six years that Ged was Archmage of Earthsea. And the last story, "Dragonfly," which.."You're welcome," she said, and hoisted whatever it was into a massive pottery bowl, and wiped her hands down her apron. He knew nothing at all about women. He had not lived where women were since he was ten years old. He had been afraid of them, the women that shouted at him to get out of the way in that great other kitchen long ago. But since he had been traveling about in Earthsea he had met women and found them easy to be with, like the animals; they went about their business not paying much attention to him unless he frightened them. He tried not to do that. He had no wish or reason to frighten them. fingertip, I wizard? Did he know you were going?" All the teachers of the art magic on Roke were women. There were no men of power, few men at all, on the island..halfway out the door. I went to put my foot on a step, but there was no step. Between the metal."Ard. My teacher." Heleth looked up, his face unreadable, its expression possibly sly. "You didn't know that? No, I suppose I never mentioned it. But it doesn't make much difference, after all. Since we none of us have any sex, us wizards, do we? What matters is whose house we live in. It seems we may have left out a good deal worth knowing. This kind of thing-There! There again-"
