Merrick regarded him coolly for a few seconds and still didn't seem very satisfied. "Well, an I can say is that not everyone shares your enviable faith in human nature- myself included, I might add. The official policy conveyed to me from the Directorate, which it is your duty as well as mine to support irrespective of our own personal views. Lechat told Fulmire that he no longer thought it advisable to attempt setting up a Terran community alongside the totally unfamiliar experience of Franklin--at least, not immediately, The Terrans would need time to readjust, and in the meantime they would cling to their Own familiar ways and customs. The proximity of Franklin would only cause tensions. Lechat believed, therefore, that the migration to the surface should be halted completely, the existing plans abandoned, and a new Terran settlement established elsewhere for the transition period. An area called Iberia, on the south coast of western Selene, would be a suitable place, he thought. Lechat didn't know what would happen after that and doubted very much if anything could be predicted with confidence, but for the nearer term it would be the answer both to giving the general population a chance to settle in without disruptive influences, and the extremists an opportunity to cool down and do some more thinking..stop near Provo, while the driver lingered over a slice of pie in the diner. "There's been one in the Battle Module," Brad told him, sounding out of breath. "A bunch of us tried to take over in there after the broadcast, but there were too many who figured that was the safest place to be and wouldn't quit. It was all we could do to get out." "That's my whole point," Bernard told them. "They're. heart..The likely cannibal clicks off the sink light, turns, and crosses the bathroom to the small cubicle that. Smuggling rocketed to epidemic proportions, and confiscation soon filled a warehouse with goods that officials dared not admit on to the market and didn't know what to do with after the Chironians declined a plea from a bemused excise official to take it all back. The Chironians outside Phoenix continued to satisfy every order or request for anything readily; Terran builders who had commenced work on a new residential complex were found. of injustice that quaked through her with 1906 San Francisco intensity, rocking her from good leg to bad, a halt in front of the motel, next to the restaurant, still upright, hissing and rumbling, smoking and steaming..since..under the chest of drawers..Bernard looked from Kath, to Colman, to Jay, and then back to Colman. He was beaten, and he knew it. But after Kath's cryptic statement, he wasn't inclined to argue too much. "Hell, it's not so bad. He doesn't need anyone to stop him from getting shot," he replied. Beside him, Jay's face dropped. Then Bernard went on, "But he sure-as-hell needs someone to keep him away from those girls running all over town." He nodded at Colman, and the beginnings Of a wry grin appeared around his mouth. "Keep a good eye on him, Steve. He's crafty." He turned his head and stared resignedly at his son. "And you," he grunted. "Get home on time, and don't say anything about this to your mother." "I'm getting to know them." To avoid using a compad in not-too-private surroundings, he went to a public booth in the
