No bird sang; the breeze was down; the leaves hung still. Am I ensorcelled? Am I a sterile thing, not whole, not a woman? she asked herself, looking at her strong bare arms, the slight, soft swell of her breasts in the shadow under the throat of her shirt..Roke seemed probable, and the idea of any league or alliance of wizards appalled him more the more.For a half millennium or longer, men ambitious to work the great spells of magery bound themselves to absolute chastity, enforced by self-cast spells. At the school on Roke, the students lived under this spell of chastity from the time they entered the Great House and, if they became wizards, for the rest of their lives..The power of the Archmage of Roke was in many respects that of a king. Ambition, arrogance, and.wise alone. So these people try to hold to each other. And so that's why we're called the Hand, or.He came back in the evening, lamer than ever, for of course San had walked him clear out into the Long Fields where most of his beeves were. Nobody had horses but Alder, and they were for his cowboys. She gave her guest a basin of hot water and a clean towel for his poor feet, and then thought to ask him if he might want a bath, which he did. They heated the water and filled the old tub, and she went into her room while he had his bath on the hearth. When she came out it was all cleared away and wiped up, the towels hung before the fire. She'd never known a man to look after things like that, and who would have expected it of a rich man? Wouldn't he have servants, where he came from? But he was no more trouble than the cat. He washed his own clothes, even his bedsheet, had it done and hung out one sunny day before she knew what he was doing. "You needn't do that, sir, I'll do your things with mine," she said.."Well, this boy did learn at last to tame his anger and control his power. He had seen our lord and the young king there, in that country across the wall of.Earth in her turning to the sun makes the days and nights, but within her there are no days. Medra walked through the night. He was very lame, and could not always keep up the werelight. When it failed he had to stop and sit down and sleep. The sleep was never death, as he thought it was. He woke, always cold, always in pain, always thirsty, and when he could make a glimmer of the light he got to his feet and went on. He never saw Anieb but he knew she was there. He followed her. Sometimes there were great rooms. Sometimes there were pools of motionless water. It was hard to break the stillness of their surface, but he drank from them. He thought he had gone down deeper and deeper for a long time, till he reached the longest of those pools, and after that the way went up again. Sometimes now Anieb followed him. He could say her name, though she did not answer. He could not say the other name, but he could think of the trees; of the roots of the trees. This was the kingdom of the roots of the trees. How far does the forest go? As far as forests go. As long as the lives, as deep as the roots of the trees. As long as leaves cast shadows. There were no shadows here, only the dark, but he went forward, and went forward, until he saw Anieb before him. He saw the flash of her eyes, the cloud of her curling hair. She looked back at him for a moment, and then turned aside and ran lightly down a long, steep slope into darkness..The name and office of archmage were invented by Halkel, and the Archmage of Roke was a tenth."Where?".That's all he really told me, yet," said Dragonfly, coming back to the mild, overcast spring day and the infinite familiarity of the village lane, Rose's front yard, her own seven milch ewes grazing on Iria Hill, the bronze crowns of the oaks. "He's very careful how he talks about the Masters..".Port had not softened his hands. He brought the boards from Sixth's mill in Re Albi, driving."This is better, Thorion," he said, but he was weeping.."All right. I wanted to ask you more about various things. About the big things, the most.Next day he had Licky send him the boy. He looked forward to seeing him, to being kind to him, teaching him, petting him a bit as he had done yesterday. He sat down with him in the sun. Gelluk was fond of children and animals. He liked all beautiful things. It was pleasant to have a young creature about. Otter's uncomprehending awe was endearing, as was his uncomprehended strength. Slaves were wearisome with their weakness and trickery and their ugly, sick bodies. Of course Otter was his slave, but the boy need not know it. They could be teacher and prentice. But prentices were faithless, Gelluk thought, reminded of his prentice Early, too clever by half, whom he must remember to control more strictly. Father and son, that's what he and Otter could be. He would

have the boy call him Father. He recalled that he had intended to find out his true name. There were various ways of doing it, but the simplest, since the boy was already under his control, was to ask him. "What is your name?" he said, watching Otter intently. The roasting pit took up the center of a huge domed chamber. Hurrying, sticklike figures black. Brown Bucca, his favorite, shook herself and said her name a few times. The others said nothing. the hearth from him. Ayo stood by the table, silent. A good fire burned in the hearth. It was a reader, child or adult, which gives even these dead things life-of a sort, for a while. "I don't live in this House. In any house," the Patterner said. "I live there. The Grove - ah," he said, turning suddenly. The big, white-haired man, Kurremkarmerruk the Namer, was standing just down the path. He had not been standing there until the other mage said 'Ah.' He found a carter who would carry them down to Endlane, Otter's mother and sister were living with cousins while they rebuilt their burned house as best they could. They welcomed him with disbelieving joy. Not knowing Hound's connection with the warlord and his wizard, they treated him as one of themselves, the good man who had found poor Otter half dead in the forest and brought him home. A wise man, said Otter's mother Rose, surely a wise man. Nothing was too good for such a man. be trivial. He disliked the old man for that, and because he was unshakable. He never praised. gesticulated heatedly, as if quarreling. I went up to them. apart. They are safe from sea-pirates in Gont Port. But their safety is their danger; the long bay. "Nothing to do with us, that lot at the old place," Birch said, displeased. The tactful Ivory asked no more. But he wanted to see the girl as beautiful as a flowering tree. He rode past Old Iria regularly. He tried stopping in the village at the foot of the hill to ask questions, but there was nowhere to stop and nobody would answer questions. A wall-eyed witch took one look at him and scuttled into her hut. If he went up to the house he would have to face the pack of hellhounds and probably a drunk old man. But it was worth the chance, he thought; he was bored out of his wits with the dull life at Westpool, and was never slow to take a risk. He rode up the hill till the dogs were yelling around him in a frenzy, snapping at the mare's legs. She plunged and lashed out her hooves at them, and he kept her from bolting only by a staying-spell and all the strength in his arms. The dogs were leaping and snapping at his own legs now, and he was about to let the mare have her head when somebody came among the dogs shouting curses and beating them back with a strap. When he got the lathered, gasping mare to stand still, he saw the girl as beautiful as a flowering tree. She was very tall, very sweaty, with big hands and feet and mouth and nose and eyes, and a head of wild dusty hair. She was yelling, "Down!
